

Making it Easy

NBS Mobile App

When you're on the go, save time and hassle with the NBS Mobile App.

Submit claims, check your balances, view transactions, and submit documentation using your device's camera.

Easy and secure

- The app shares user authentication with the NBS portal, so your same login credentials work for both the portal and the app. Registered users can download the app and log in immediately to gain access to their benefit account.
- No sensitive account information is ever stored on your mobile device and all transmissions use encryption.

Eligible Expense Barcode Scanner

- Not sure if an item is an eligible healthcare expense?
- Scan the barcode of an item to help identify eligible healthcare items when you are out shopping.
- Great tool to use to help spend down excess funds.

Mobile app features

The NBS mobile app supports a wide variety of features, empowering you to proactively manage your account.

- View account balances
- View claims
- View reimbursement history
- Submit claims
- Submit documentation using your device's camera
- Pay providers
- Setup a variety of SMS alerts
- Edit your personal information
- View contribution details
- View plan information
- View calendar deadlines
- Contact a service representative
- View NBS Smart Card information
